

"The musical tradition of the universal Church is a treasure of inestimable value...to be preserved and fostered with care."

(Second Vatican Council, The Constitution on Sacred Liturgy)

We are pleased to announce the following music concerts and special events for the 2017-2018 season.

We are especially grateful for our program collaborators this year, the Hofstra University Music Department, and the Suffolk Chapter of the American Guild of Organists.

Please plan on attending what promise to be wonderful events in the life of our parish!

The parish's Youth Choir and Adult Chorale, following a recording session for their CD, "A Year in Music." The CD is available at the front desk of the Rectory Office, and at the back of the church after each concert. .
